

**§ 58-10-415. Annual audit and statement of actuarial opinion.**

(a) All captive insurance companies with the exception of risk retention groups shall have an annual audit by an independent certified public accountant and shall file such audited financial report with the Commissioner on or before June 30 for the prior calendar year. Risk retention groups shall comply with Parts 6 and 7 of Article 10 of this Chapter instead of this section.

(b) Captive insurance companies that have received approval to report on other than a calendar year basis pursuant to G.S. 58-10-405 shall file such statements within 180 days after the end of their fiscal year.

Such request must be made at least 90 days prior to the captive insurance company's fiscal year-end or as otherwise required by the Commissioner. Requests will be considered on a case-by-case basis and may be subject to the Commissioner receiving an annual audit of the captive insurance company's parent in lieu of the annual audit of the captive insurance company.

(c1) Extensions of the due dates for filings required by this section may be granted by the Commissioner for 30-day periods upon a showing by the captive insurance company of the reasons for requesting an extension and determination by the Commissioner of good cause for the extension. The request for extension must be received in writing not less than 10 days before the due date and in sufficient detail to permit the Commissioner to make an informed decision with respect to the requested extension.

The Commissioner may require that the financial statements be supplemented by additional information.

b.
